

Employers! What We Will Do For You!

Recruitment and Resume/Application Screening of Potential Candidates

- Reviewing and highlighting candidates' key skills, experience, and credentials
- Matching the skills, experience and credentials you need

Interview Pre-screening

- Professional staff and resources are available to screen appropriate candidates for your needs

Additional Placement Options

- Mentorship and training options available
- Full-time, part-time, work placements and volunteer options also available

Free Job Postings

- We post your ad on various websites and on-site job boards

Follow-up and On-the-job Coaching

- Follow up assistance to ensure that employees are meeting your needs
- Assistance in identifying areas which require additional supports/coaching

Outplacement Services

- Provide information sessions and job search assistance to employers due to layoffs/downsizing

Incentives for You!

- Wage subsidies and hiring incentives are available for employers and potential employees
- Apprenticeship incentives are available to employers for apprenticeship training
- Speak to your Job Developer for further information regarding incentives
